THIS WILL SHOW  
LARGE TEXT  
DESCRIBING THE  
NATURE OF THIS  
WEBSITE AND  
INVITING VISITORS  
TO EXPLORE THE  
VARIOUS WAYS OF  
ACCESSING THE  
INFORMATION.

This will have smaller text. Maybe a background about me and what I'm trying to do here. I should put together some kind of artist statement.

It should have more than one paragraph, and give some detail and texture to the types of websites that I want to create. I could include a page that is a design idea board of images, colors, displays of website elements that I'd like to use.

Somehow I should convey the goal of what I'm doing here. I should also push myself to be more creative.

I had a professor who said

“INSPIRATION IS  
JUST ANOTHER  
CUP OF  
COFFEE...”

...which annoyed the hell out of me.

So professor, here’s my cup of tea.  
This is a smattering of things that  
inspire me.
